

QPASTT

Queensland program of assistance
to survivors of torture and trauma

Guest Speaker Request Form

QPASTT training sessions have been developed to support services working with people from refugee backgrounds. Our training is designed to enable those services to gain a better understanding of the experiences that this client group goes through prior to their arrival in Australia, and the impact of torture, trauma and settlement on their lives.

All organisations requesting training from QPASTT should complete this form and submit it to Elise Barton, the Training Coordinator at qpastt_training@qpastt.org.au
