

QPASTT

Queensland program of assistance
to survivors of torture and trauma

Professional Development Request Form

QPASTT training sessions have been developed to support services, throughout Queensland, working with people from refugee backgrounds. Our training is designed to enable those services to gain a better understanding of the experiences that this client group goes through prior to their arrival in Australia, and the impact of torture, trauma and settlement on their lives.

Please complete the PD Request Form below and submit to **the Training Coordinators, Jessica Edwards and Taryn McBurney** at qpastt_training@qpastt.org.au. For any other enquiries contact Jessica or Taryn directly on 07 3391 6677.

Forms must be received by QPASTT at least 3 months in advance of the requested training date. Requests with a shorter lead time must first be discussed with the Training Coordinator, prior to submitting a request.
